We Thought
of Everything...
& Then Some

We evaluate every detail of a product from top to bottom, inside and out and every angle in between. That's 360+1. And that's why you can count on this gas furnace to bring you and your family years of efficient and dependable indoor comfort.

Innovation You Can Count On

Patented industry-first features and 360+1 design make the Ruud Endeavor R801T a smart choice.

Peace-Of-Mind Performance

Relax, you're covered by one of the best warranties in the industry¹—10 Year Conditional Parts + a 20 Year Heat Exchanger warranty.

Efficient Comfort

Constant torque ECM motor technology delivers the heated airflow to meet your requested warmth requirement.

TESTED. TRUSTED. **TOUGH.**

From the smallest part to complete comfort systems, we build quality into everything we make so we can be sure it's tough enough to deliver the ultimate performance you can count on day after day, year after year. That reliability is what makes Ruud different—and better.
