RELY ON RUUD.™

Highly **Reliable** High Ef

Innovation You Can Count On

Patented industry-first features and 360+1 design make the Ruud Endeavor R802V a smart choice.

Peace-Of-Mind Performance

Relax, you're covered by one of the best warranties in the industry¹—10 Year Limited Parts + Limited Lifetime Heat Exchanger.

Quieter Operation

Cozy and quiet vibes are guaranteed with our insulated, solid bottom cabinet and truly variable speed airflow technology—giving you one of the quieter furnaces available².

Excellent Comfort

Two-stage heating operation and variable speed motor technology ensure a steady stream of just-right heated airflow to maintain your comfort level preference while providing superior humidity control.

We Thought of Everything... & Then Some

We evaluate every detail of a product from top to bottom, inside and out and every angle in between. That's 360+1. And that's why you can count on this gas furnace to bring you and your family years of efficient and dependable indoor comfort.

TESTED. TRUSTED. **TOUGH.**

From the smallest part to complete comfort systems, we build quality into everything we make so we can be sure it's tough enough to deliver the ultimate performance you can count on day after day, year after year. That reliability is what makes Ruud different—and better.
